

Your Love Is All I Know

BAILEN

Is it right? Is it right? Is it right?
That I keep crawling back for more
Every night, every night, every night
As if my body needs the war

And I can feel it coming
Like you're rigging it all before we reach the peak
And I can feel it dying
But how could we die before our hearts begin to beat?
How could I leave?
How could I let you go?

How could I let you go?
How could I let you go?
When your love is all I know
When your love is all I know
How could I let you go?
When your love is all I know
When your love is all I know
How could I let you go?

In the light, in the light, in the light
I keep on hiding from your sight
'Til the fight, 'til the fight, 'til the fight
In the cover of a moonless night

And I can hear it coming
Like you're shutting me up before I start to speak
And I can feel it dying
But how could we die before our hearts begin to beat?
How could I leave?
How could I let you go?

How could I let you go?
How could I let you go?
When your love is all I know
When your love is all I know
How could I let you go?
When your love is all I know
When your love is all I know
How could I let you go?

How could I just go?

When your love is all I know
When your love is all I know
How could I let you go?
When your love is all I know
When your love is all I know
How could I let you go?
