

I know that you know  
I'm coming right back  
Keep it on the low  
No need to type that  
Doin' shit for show is not the motive baby why ask  
If you know, you know

Can you keep it a secret don't you lie  
We been sneaky linkin' for some time  
I got intentions, I'm gonna keep them to myself  
I don't want questions, yea

I just wanna Pop champagne on a date night  
You can lick the plate if it taste right, aah  
All this cake but it stay tight  
Sign a NDA just in case right

I got intentions, I wanna keep you to myself  
I don't want mentions  
No no no no

I know that you know  
I'm coming right back  
Keep it on the low  
No need to type that  
Doin' shit for show is not the motive baby why ask  
If you know, you know  
You know it's like that

I'll be coming right back baby  
You do not get to talk to me crazy  
Just hit me on the flight back baby  
You know that I'll be waiting

If you got intentions  
You better keep them to yourself  
Don't need to mention

We just need to Pop champagne on a date night  
You can lick the plate if it taste right, aah  
All this cake but it stay tight  
Sign a NDA just in case right

I got intentions, I wanna keep you to myself  
I don't want mentions  
No no no no  
I know that you know you know  
I'm coming right back  
Keep it on the low  
No need to type that  
Doin' shit for show is not the motive baby why ask  
If you know you know  
You know it's like that

Pop champagne on a date night  
You can lick the plate if it taste right, aah  
All this cake but it stay tight

If you know, you know  
Pop champagne on a date night  
You can lick the plate if it taste right, aah  
All this cake but it stay tight  
If you know, you know
