

Songbird

Bailey Bryan

O Lord, I don't have the answers
I am just a wanderer, trying to find my place

O Lord, I don't think I signed up for this
O Lord, I don't think I'm enough for this
Me and myself really aren't that in touch with the spiritually now
It's a drought are you hearing this?
I guess so, 'cause every time I say that it rains
Never been a stranger to strange
But it's crazy lately, losing patience
Patiently waiting on the next leg
Nice to meet you, I'll probably never see you again
Nice to see you, said you knew me way back when
So much has changed since the days when I thought I had a plan

O Lord, I don't have the answers
I am just a wanderer, trying to find my place
O Lord, I don't have the answers
I am just a songbird, trying to find my way, yeah way

Start thinking about the things you've done
Start thinking about what you'll become
Start thinking about the future that we used to be something I want
Now I'm scared holding on to the past
Yeah, I'm scared 'cause it's moving so fast
Wondering how long I'm gonna last
Before the crash
Is there someone out there I can ask?

O Lord, I don't have the answers
I am just a wanderer, trying to find my place
O Lord, I don't have the answers
I am just a songbird, trying to find my way, yeah way

Nice to meet you, I'll probably never see you again
Nice to see you, said you knew me way back when
So much has changed since the days I thought I had a plan
Now I'm trying to find a soft place to land
Nice to meet you, I'll probably never see you again
Nice to see you, said you knew me way back when
So much has changed since the days I thought I had a plan
Now I don't and I'm hoping that you'll understand
One, two, three, four

O Lord, I don't have the answers
I am just a wanderer, trying to find my place
O Lord, I don't have the answers
I am just a songbird, trying to find my way

Yay-ay-ayy, yay-ay-ayy
Yay-ay-ayy, yay-ay-ay-ayy
I'm trying to find, I'm trying to find my way
