

# Too Good

Bailey Bryan

I don't know how to talk to you  
I don't know how to ask you if you're okay  
My friends always feel the need to tell me things  
It seems like they're just happier than us these days  
These days I don't know how to talk to you  
I don't know how to be there when you need me  
It feels like the only time you see me  
Is when you turn your head to the side and look at me differently

And last night, I think I lost my patience  
Last night, I got high as your expectation  
Last night, I came to a realization  
And I hope you can take it

I'm too good to you  
I'm way too good to you  
You take my love for granted  
And I just don't understand it  
No, I'm too good to you  
I'm way too good to you  
You take my love for granted  
And I just don't understand it

I don't know how to talk to you  
I just know I found myself getting lost with you  
Lately, you just make me work too hard for you  
You got me on flights overseas, and I still can't get across to you, hmm-  
hmmm

And last night, I think I lost my patience  
Last night, I got high as your expectation  
Last night, I came to a realization  
And I hope you can take it

I'm too good to you  
I'm way too good to you  
You take my love for granted  
And I just don't understand it  
No, I'm too good to you  
I'm way too good to you  
You take my love for granted  
And I just don't understand it

Years go by too fast, I can't keep track  
How long did we last?  
Well, I feel bad for asking  
It can't end like this  
We gotta take time with this  
Cock up yuh bumper, sit down pon it  
Let me see if this is something I can fix

I'm too good to you  
I'm way too good to you  
You take my love for granted  
And I just don't understand it  
No, I'm too good to you  
I'm way too good to you

You take my love for granted  
And I just don't understand it
