He don't got no chill  
To be honest  
You could grow on bill  
My whole life  
I kept that shit trill  
If you run up  
I make your blood spill  
I'ma shit  
I just popped a pill  
Sent my nigga home  
Fresh off bail  
Already in the kitchen whippin' up the scale  
You ain't hear we weigh that weight  
On magic scale

As a youngin'  
They say you'd amount to nothing  
Copped my first [?]  
Before Easter Sunday  
When you get thirteen  
Ain't no time for talking  
If you [?] roof  
You better get to walking  
Got some youngins  
Yeah, they with the barking  
In my fitted  
Turnt up for all-star weekend  
Just remember  
Ain't no long talking  
Just remember  
Ain't no long talking

That fish, water whip  
She took a trip, we in the six  
I took your bitch, now she whip my bricks
