

# Big Dreams

Bakar

Big dreams, big dreams, rolls on his own but he's got big dreams  
I've seen all the shit he's seen, never had a dad, he's only 15  
Mid teens, big dreams, could have played for all the big teams  
Could've been a star in all the big leagues  
Young brother, will you please believe?  
Big dreams, big dreams, rolls on his own but he's got big dreams  
I've seen all the shit he's seen, never had a dad, he's only 15  
Mid teens, big dreams, could have played for all the big teams  
Could've been a star in all the big leagues  
Young brother, will you please believe?

"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been keeping your word so close to me  
"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been chilling back living so comfortably (Oh no!)

We've been stuck sitting frozen in your old ways  
He could never quit, he gotta go the whole way  
You've got to put in work to be the one and only  
Had to tell myself I was the one and only  
It's been seven days, the same clothes  
And I think it's taking its toll  
I don't wanna have to fight for no doll  
I could never lose my grip or control

"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been keeping your word so close to me  
"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been chilling back living so comfortably

I've been trying to tell you that I think you should try it  
I've been dying to tell you that I think you should try it  
'Cause you know, you know, you know that it's something different  
'Cause you know, you know, you know that it's something different

"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been keeping your word so close to me  
"Oh no!" You spoke to me  
Things weren't going how they supposed to be  
I know there's supposed to be  
I've been chilling back living so comfortably (Oh no!)
