

Cashmere Tears

Bakar

□□□□□□□□

Will you be my yellow?

Rain, tears from my eyes, eyes
Pain, feels poltergeist, cry
Sayin', you talk to your God, I
Rain, tears from my eyes, eyes
Pain, feels poltergeist, cry, cry

Play, let's play, let's dance in the rain
Last chance, last chance, cause time don't wait
Let's play, let's play, let's dance in the rain
Cause time don't stand, no time don't wait

Are we allowed to fall in love?
Are we allowed to fall apart?
Will I ever be enough?
Throwing daggers in the dark

Rain
Tears from my eyes, my eyes
Pain (Are we allowed to fall in love?)
(Are we allowed to fall apart?)
Feels poltergeist (Will I ever be enough?)
Cry, cry (Throwing daggers in the dark, yeah)
Rain
Tears from my eyes, my eyes
Pain
This pain, feels poltergeist

Are we allowed to fall in love?
Are we allowed to fall apart?
Will I ever be enough?
Throwing daggers in the dark

Joy, envy
I've seen plenty
Joy, envy
I've seen plenty
