

## Ghosts

Bakar

I was gone in a minute, I'll be back in a moment  
Four stars on my dash, 'cause my car is stolen  
I've been down on my knees, but I'm never proposin'  
Me and you got ghosts  
I've been livin' at my mom's, but I'm definitely homeless  
Five stars on the line 'cause I'm definitely chosen  
Seein' silver in the lines, when this hour is golden  
Me and you got ghosts

Could I leave it without a trace?  
Hot and cold 'til we slide away  
We could just go  
We could just go  
And if you're comin', let me know  
We could just go

I've been gone for a minute, now I'm back on the road  
We had cracks in our pavement, never set in stone  
Left alone, only see you at shows, and it shows  
I've been down on my highs, I been up on my lows  
In the wind, in the fire, I could never be cold  
And the old saying goes  
"If it shines, then it may not be gold"

Could I leave it without a trace?  
Hot and cold 'til we slide away  
We could just go (Just go, baby we could just go)  
We could just go (Just go, baby we could just go)  
And if you're comin', let me know (Just go, baby we could just go)  
We could just go
