

# Having A Good Time, Sometimes

Bakar

I don't give a fuck  
I'm just still out here having  
A good time, sometimes, you know

If you seize the day, can I bring my mess?  
If you run away, can I bring my legs?  
Smoke twenty cigarettes just to cure my stress  
Sign of my life, sign of the times  
Smoke heavy on my lungs, that's that cause and effect  
Feel that G-force heavy on the way to my check  
I ain't always been walkin', so I'm takin' my steps  
Sign of my life, sign of the times

I know you don't like to listen  
Turn the sound on with no permission  
I know you don't like to listen  
But there's only one life to live so it's okay  
I know you don't like to listen, it's okay (Yeah)  
But there's only one life to live so it's okay  
I know you don't like to listen, it's okay (Yeah)  
But there's only one life to live so it's okay

If I send a text, will you meet at ten?  
If I get you facts, will you meet me again?  
I really love her in the summer, hope we make amends  
Love of my life, stuck on my mind  
You were a handful then, you're still a handful now  
Got a handful of dough and you're handin' it out  
Girl, I'm proud, yeah, I'm proud, yeah, I'm sorry that I bounced  
Such a pretty little smile, I ain't seen you in a while

Hope we meet again  
Hope we meet again, mm

I know you don't like to listen  
Turn the sound on with no permission  
I know you don't like to listen  
But there's only one life to live so it's okay  
I know you don't like to listen, it's okay (Yeah)  
But there's only one life to live so it's okay (Hey, yeah, it's okay, I hope  
you know that it's all okay)  
I know you don't like to listen, it's okay (Yeah, it's okay, I hope you know  
that it's all okay)  
But there's only one life to live so it's okay

I hope you know that it's all okay, yeah  
I hope you know that it's all okay, yeah  
Sometimes you just gotta tell yourself it's okay, you know?  
Sometimes  
I don't give a fuck  
I'm just still out here having  
A good time, sometimes, you know
