

## Hell N Back

Bakar

Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely  
Now you're my everything, now it's on me

I mixed a lot of love with a lot of drugs, then I found you  
She liked petty crimes, she had green eyes like Mountain Dew  
And where she go, I'll never know her friends bounce to  
I guess it's their loss 'cause they'll never know what we'll amount to  
And would you be my light, be my yellow?  
P.Y.T. walking down Portobello  
Put a smile on this face at the end of the day  
MDMA helped us fly away  
Who'd have known, who'd have known you would save my life?  
Who'd have known, who'd have known you would fly my kite?  
Could you tell, could you tell?  
Could you tell, could you tell?  
(Could you tell, could you tell?)

Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely  
Now you're my everything, now it's on me

I could you tell where your head was at when I found you (When I found you)  
You know I fixed his head when it was broke and tore, I was bound to (Bound to)  
Fake his smile before me, you didn't know how to  
Oh, but I'm here now baby  
No life been living lately. So, I save you if you save me  
I was over love, thought I had enough, then I found you (Oh)  
I was no doubt, stressed out without you  
All we got is us, when nobody does, I got you  
For your sanity and my mentality

Could you tell where my head was at when you found me?  
Me and you went to hell and back just to find peace  
Man, I thought I had everything, I was lonely (You was lonely)  
Now you're my everything, now it's on me (Everything)
