

Now as I draw, I think of you
Boy, trust my call, got my dreams come true
Sometimes I think about you [?]
Sometimes I think about your story
When I'm running out of joy

Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy, joy
When I think of you

When I think of you, it's like déjà vu
Tryna bear my fruits, tryna see my food
Sometimes I think about you and just waste time
Sometimes I think about if I should say somethin'
[?] mmh
I won't ask you to tell your truth, so
Fed up with my lifestyle
But you brought me a bright smile
Joy, joy

Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy
Joy, joy, joy, joy, joy
When I think of you

Think of you
Joy, joy, joy, joy, joy
