Seasons changing like the faces in my brain  
Why you starting conversations with my name?  
I think you're playing the fool  
And I ain't playing with you

Seasons changing like the faces in my brain  
Why you starting conversations with my name?  
I think you're playing the fool  
And I ain't playing with you

So dismissive  
You're not the victim in it  
Why you switching?  
Spent the last 10 minutes tryna fix it  
I tried to start, couldn't finish  
I'll admit this, maybe I'm addicted

Diamond district for ya  
Know your friends just wanna start a lil more drama  
Know you wanna be my misses, why you being passive?  
Held me down on lockdown, I think you're attractive  
It's okay-ay  
Two can play those games, ay  
My feelings just don't wait, I'll let you do your thing  
And I'll be on my way, ay

Seasons changing like the faces in my brain  
Why you starting conversations with my name?  
I think you're playing the fool  
And I ain't playing with you

Seasons changing like the faces in my brain  
Why you starting conversations with my name?  
I think you're playing the fool  
And I ain't playing with you

When you stop being insane I'll be ready  
I'ma stay if you let me  
I saved you a place in my arms, baby  
It's starting rain and

Seasons changing like the faces in my brain  
Why you starting conversations with my name?  
I think you're playing the fool (Yeah, yeah)  
Think you're playing the fool  
Think you're playing the

I'ma stay if you let me  
I'ma stay if you let me  
I saved you a place in my arms, yeah  
I'ma stay if you let me
