

# Riot

Bakar

Yeah-yeah, yeah  
Yeah, yeah-yeah  
Yo

What's more beautiful than a riot?  
I'm hopin' you'll tell me  
I can hear the blue lights turnin' violet  
See the red run on these streets  
Baby, keep shoutin', don't be quiet  
Take these anchors of our feet  
There's nothin' that they need more than our silence, aw fuck  
What's more beautiful than a riot?  
I'm hopin' you'll tell me  
I can hear the, aw fuck  
Yeah

What's more beautiful than a riot?  
I'm hopin' you'll tell me  
I can hear the blue lights turnin' violet  
See the red run on these streets  
Baby, keep shoutin', don't be quiet  
Take these anchors of our feet  
There's nothin' that they need more than our silence  
In a couple months we'll be free

Oh, be free  
One more time  
Oh, be free

What's more beautiful than a riot?  
I'm hopin' you'll tell me  
I can hear the blue lights turnin' violet  
See the red run on these streets  
Baby, keep shoutin', don't be quiet  
Take these anchors of our feet  
There's nothin' that they need more than our silence  
In a couple months we'll be free

Oh, be free  
In a couple months you'll be free  
Oh, be free
