

BIGGEST MOB

Baker Boy

I come from the biggest mob, but I ain't no Italian
Black tie, black suit, red car with a stallion
I'm Chapman, Tracy
Fast car, Lacy
Steve with the bad habits
Rent due, pay me
I come from the biggest mob, but we ain't no mafia
I flipped the script like Czechoslovakia
I'm cooking this beat
Al dente pasta
Salt in the water
North East Arnhem
I come from the biggest mob, but we ain't in Sicily
Sunrise, blue water
This is Millingimbi
Bäru, Mäna
Look out for disaster
Swimming with the sharks
Better move faster

Biggest mob
Black tie, bare feet, looking fresh
Biggest mob
Camp dog, on the run, out of breath
Biggest mob
Card games, pay day, debt collect
Biggest mob
I could be a Scarface with a little friend, say hello
Hello
Hello

Tony Soprano
I'm the leader of the family
The whole mob on the list
Wherever I go, they're with me
Not a syndicate
We killing it
I got the rock, I'm dribbling it
I'm more than just Indigenous
Ingenious
A genie wish could never ever grant me this
We fabulous blak magic
Is Aladdin on a magic trip?
Do you know where my Jasmine is?
Take a look in the mirror, ah
I never seen nothin' clearer
A king need a queen
And a queen need a king
And a mob need a god
I'm the father of this thing
Bäru, Mäna
Look out for disaster
Swimming with the sharks
Girl, you better move faster

Biggest mob
Black tie, bare feet, looking fresh

Biggest mob
Camp dog, on the run, out of breath
Biggest mob
Card games, pay day, debt collect
Biggest mob
I could be a Scarface with a little friend, say hello
