

# Cloud 9

## Baker Boy

Baker Boy in the town  
(Yolngu Matha)  
I'm on cloud 9

(Yolngu Matha)  
They see you really humble, don't ever change, you might crumble  
(Yolngu Matha)  
Don't ever turn back on God  
(Yolngu Matha)  
We gonna fly high like an eagle, don't wanna see no ego  
Don't think about it, let go  
Just hold on to my hand and let's go  
Gotta do what Baker Boy, young man, not a boy  
You can't control me like a toy  
I'm a human being, just like you and me  
We are family, stop the jealousy  
Come with me now, break it down  
North side of town, stop being the clown  
Be the person that chases the crown  
'Cause at the end of the day, you'll be found  
So never back down (Back down, back down)

You wanna be as good as me? Boy, you better practice  
Step back, feel the power of my blackness  
You wanna be as good as me? Boy, you better practice  
Step back, feel the power of my blackness

Can't stop me now (Can't stop me)  
And you can't bring me down (Bring me down)  
I'm on cloud 9  
And I'm not coming down (I'm on cloud 9)  
Can't stop me now  
And you can't bring me down  
I'm on cloud 9 (Bring me down)  
And I'm not coming down

(Yolngu Matha)  
Whenever the truth comes out, your heart is ripping out  
You gotta stay strong, no doubt  
The bigger the crowd, the bigger we are  
'Cause the internet changes the line  
'Cause they they don't want us too divine  
From the human race, always on the case  
Ending up getting chased, now we're standing in chains  
Flash back, being black, reality hits back  
Your system is whack  
Trying to find a way to change the track because  
(Yolngu Matha)

You wanna be as good as me? Boy, you better practice  
Step back, feel the power of my blackness  
You wanna be as good as me? Boy, you better practice  
Step back, feel the power of my blackness

Can't stop me now (Can't stop me)  
And you can't bring me down (Bring me down)  
I'm on cloud 9 (I'm on cloud 9)

And I'm not coming down  
Can't stop me now  
And you can't bring me down  
I'm on cloud 9  
And I'm not coming down  
Can't stop me now (Can't stop me)  
And you can't bring me down (Bring me down)  
I'm on cloud 9  
And I'm not coming down (I'm on cloud 9)  
Can't stop me now  
And you can't bring me down  
I'm on cloud 9  
And I'm not coming down (I'm not coming down)  
Can't stop me now (Can't stop me)  
And you can't bring me down (You can't bring me down)  
I'm on cloud 9 (I'm on cloud 9)  
And I'm not coming down (I'm not, I'm not coming down)  
Can't stop me now (Can't stop me)  
And you can't bring me down (You can't bring me down)  
I'm on cloud 9 (I'm on cloud 9)  
And I'm not coming down (I'm not coming down)

You can't bring me down  
I'm not coming down  
Can't stop me
