

In Control

Baker Boy

I got this (Yeh, whoop, whoop)

(I am in control)
Just a piece of my mind ain't no body got no time for no wind
Just a little outta line
Grind a bit be on the right lane
Having Positive mind frame
Ngupan nhe'li dream'gu, ngayi'li marrtji yuwalk'dhirra, yaka nhe dhu thinkin
g yanbi nyal or lame
It's not about fame
Kicking goals opening doors to a new era
Making sure it's correct not an error
Otherwise you will disconnect
And the darkest days won't last for ever
Even brighter days come sooner or later
Yaka weyin thinking marrtji babuyurr'nha bili nhe nhunguwuy bunggawa
Gotta do watcha gotta do
It's up to you where you wanna head up to
It is hard you gonna have to break through
They turnin' up the pressure till it breaks you so break through
Come on

They come they go but this I know
I will not let them hold me back no more
I shoot I score I give my all
My future I am in control
(Yeah, yeah)
I am in control
(Yeah, yeah) I am in control

No matter young and old having dreams and goals
Take control and the fundamental roll
Negative roles it ain't good for da soul
Having that motive is good for us all
Keeping the ball running for the future
Got me feeling like a preacher (Ha, ha)
There's nothing that you can't achieve when you're a seeker (Say what?)
Keep on moving straight ahead
And be a icon like a pillar for the next gen (Okay, okay)

They come they go but this I know
I will not let them hold me back no more
I shoot I score I give my all
My future I am in control
I am in control
(Who's in control?)
I am in control
I am in control (Oh yeah, oh yeah)

When they tell you what you can and can't do we like
No they won't hold us back (What)
When you see people tryna break ya dreams and you know we like
No they won't hold us back
When they say they know but you know they don't we like
No they won't hold us back (Whoop, whoop)
When you make it to the top and you cement your spot we like
No they won't hold us back (Yeah yeah)

(All right)

(Oh) They come they go but this I know
I will not let them hold me back no more
I shoot I score I give my all
My future I am in control (Ooh)
I am in control (Ooh)
(Yeah, yeah)
I am in control
I am in control

(Hey, hey, yo, yo, yeah, yeah)
Go maldhurr marrtji Go
