

KING

Baker Boy

I'm rolling in a Benzo
I got Northside hanging out the window
And I know that all of it does offend you
Boohoo boohoo
Cause a king do what a king do(o)
Got a million dollar smile out the window(o)
And I know that all of it does offend you
Boohoo boohoo
I just turn a prince to a king

Awa aburr-guna aburr-malchinga apula ngardawa ngaypa ngu-
rrimanga da vibe da happiness to your life
We gone ride
Wirwiryun all through da night
Märr ga melkum nhäthinya fun-dja dhuwal yan nyäl
Gotta duel me in a pool better bring your game
I'm just too ill for this I know we is not the same
Ain't no tutankhamun yeah I'm still alive
You can not deny 5 pyramids I am that guy

All I hear is blah blah
That's a mouthful
I mean I think that you mad
It's not about you
Baby it's cool
It's my crew
And we back back back back back back

I'm rolling in a Benzo
I got Northside hanging out the window
And I know that all of it does offend you
Boohoo boohoo
Cause a king do what a king do(o)
Got a million dollar smile out the window(o)
And I know that all of it does offend you
Boohoo boohoo
I just turn a prince to a king

Ripuny marngi narranydja
Yolngukurr Burarrakurr that's the style
Darraku bing budda boom just like that that Alexander
Great like Mesopotamia call it Australia this is the life
No one is greater
I'm the invader of decent society don't be polite
Light like lightning
Watch it go bang
Feelin like Leo
Catch me if you can
Pull up like a Shaka Zulu to da coronation make it spicy get in heated
Peter piper pick a fight with baker boy

All I hear is blah blah
That's a mouthful
I mean I think that you mad
It's not about you
Baby it's cool
It's my crew

And we back back back back back back

I'm rolling in a Benzo
Got the Yidaki blowing out the window
And I know that all of it does offend you
Boohoo boohoo
Cause a king do what a king do
Got a million dollar smile out the window
And I know that all of it does offend you
Boohoo
I just turn a prince to a king

I just turn a prince to a king
King king king

I just turn a prince to a king
King king king...

I just turn a prince to a king
King king king...
King king king...

I just turn a prince to a...
