

Move

Baker Boy

Cause I just wanna move
Yeah yeah yeah
And you can come too
Yeah yeah yeah
Yeah, that's me plus you
Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah
Cause I just wanna move
Yeah yeah yeah
Yeah, you can come too
Yeah yeah yeah
And one time for the crew
Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah

I know you heard it all before
But I can't find a flaw
And that I can't ignore
I wanna know who you are
You probably get this all the time
You're welcome to decline
Since the minute that I seen you
Baby girl been on my mind
Conversation
R&B on rotation
I'm gon' take my shots
No curves, no hesitation
Finesse, perfect placement
When my moves are tight
And I know she approve
Cause her mood is right
She the energy I need to make it through the night
And we're dancing like there's not a single soul in sight
She drinks a little but tonight she's a sober type
She love to speak her mind like it's open mic
I pray this club don't close tonight
I never met a woman like her she a prototype
No disrespect
You're just one of a kind
Got me strong and you ain't even tryin'
No lie

Cause I just wanna move
Yeah yeah yeah
And you can come too
Yeah yeah yeah
Yeah, that's me plus you
Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah
Cause I just wanna move
Yeah yeah yeah
Yeah, you can come too
Yeah yeah yeah
And one time for the crew

Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah

Nhe ga dhuwal djana'mirr marrtji wirwiryun - [you're just so luscious hangin'
' out around town]
Bala basketball court is where we going that is what we doing - [to the basketball court is where we going that is what we doing]
Yan narra ga djälthirr jalitjalaŋ jali dhu bul'yun latjukum - [I just wanna play real nice like one-on-one]
Gonna kick it when we get back home
You know I got the good funk put you in the zone
Cause it's all about Netflix and chill racking up my phone bill
Every love song got me caught in my feels
Dälkuŋ nhuŋu doŋurrk ga mulkurr nhuŋu däl - [build up your heart and strengthen your mind]
Märr ga latjukumnha nhena dhe dhu yaka warwuyunnha - [so you're livin' the good life, leavin' worries behind]
Bala-räli dhu reminding-
mirrnha - [keep reminding each other how it's gonna be]
Just the simple things living it up
There is nothing that is better than love
I'm just a phone call or text away
When it's time to go it's late in the day
But you wanna stay

Cause I just wanna move
Yeah yeah yeah
And you can come too
Yeah yeah yeah
Yeah, that's me plus you
Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah
Cause I just wanna move
Yeah yeah yeah
Yeah, you can come too
Yeah yeah yeah
And one time for the crew
Yeah yeah yeah
So tell me what we're gonna do
Yeah yeah yeah
