

My Mind

Baker Boy

Yeah woo
My mind
Woo
My mind my mind my mind

She running laps again
Out of sight she back again
It is what you make it so to me the perfect accident
Personality nah she ain't lackin it
Beat me to the punch line either that or she packin it
We let our guards down round 1
Round 2 round 3 I think I found one
In a hopeless place I think I found love
Cupid must have found us because she's

All that I need
Yaka gori nhe
Djana'mirr
Girl you know you're
All that I need
Yaka gori nhe
Djana'mirr

Girl you know you're blowing my mind
(My mind)
Every single step at a time
(At a time, at a time)
Girl you know I plead, holla at me
All that I see
Holla at
Girl you know you're blowing my mind
Yeah yeah yeah
Hold up

Dreaming on a daily when she not around
Home is where the heart is best believe she hold it down
She got me texting emojis and x and o's
Watching reality shows like who's next to go
When it comes to slaying a dress professional
Fashion killa love her prowess and all
Me and her together that's progress for sure
I can't wait till we progress some more because she's

All that I need
Yaka gori nhe
Djana'mirr
Girl you know you're
All that I need
Yaka gori nhe
Djana'mirr

Girl you know you're blowing my mind
(My mind)
Every single step at a time
(At a time, at a time)
Girl you know I plead, holla at me
All that I see

Holla at
Girl you know you're blowing my mind

Aye aye I got to tell ya
Darra djälthin nhuṅu
In the moonlight
Like this (like that)
Like this (like that)
You got to know that
(You got to know that)
It never felt so good
(Never felt so good)
Nhe dhu nhaltjanna
Darra waṅa nhokal
Like this (like that)
Like this (like that)

Girl you know you're blowing my mind
Every single step at a time
Girl you know I plead, holla at me
All that I see
Girl you know you're blowing my mind
(Girl you know you're blowing my mind)

Blowing my mind
(My mind)
Every single step at a time
(At a time, at a time)
Girl you know I plead, holla at me
All that I see
Holla at
Girl you know you're blowing my mind
(Never felt so good)

My mind
Every single step at a time
(At a time, at a time)
Girl you know I plead, holla at me
All that I see
