

Ride

Baker Boy

Ooo yeah Imma bounce from work
Heading home on the phone when I pick up my loan
In the zone in my room I'm smelling cologne
Datha luka bala marrtjin nanya friday night outing-nha
Bala dhumurr'yuna club-nurnha
Yaka every weekend nanydja payday-mirriynha
Ever look at someone breaking it down
Same person when they end up in town
Dance around like there's no one around

Don't let that fear hold you back
Let the rhythm inside
I can see your face
What's the point tryna hide
Your body's saying too much
Come along for the ride

Way năma nhuma ga nŭnha manikay rirrakay n̄ayi ga dhawaṯṯhun
Bala marrtjin balayidhi burr'yuna
Darrakal yolŋu'yulŋuwala mala
Darrakal yolŋu'yulŋuwala mala

Way năma nhuma ga nŭnha manikay rirrakay n̄ayi ga dhawaṯṯhun
Bala marrtjin balayidhi burr'yuna
Darrakal yolŋu'yulŋuwala mala (Nhăju mala)
Darrakal yolŋu'yulŋuwala mala (Nhăju mala)

Come along for the ride

I'm too slick like turbo with a broom stick
Puppet master no strings attached
We can start a new trend or live the past
We can do the dab or the cabbage patch
Let's go
Oh that's a vibe
No stoppin when a brother hit a electric slide
OGs two step-in rocking side to side
Let loose, let your body and the beat collide, huh

Don't let that fear hold you back
Let the rhythm inside
I can see your face
What's the point tryna hide
Your body's saying too much
Come along for the ride

Way năma nhuma ga nŭnha manikay rirrakay n̄ayi ga dhawaṯṯhun
Bala marrtjin balayidhi burr'yuna
Darrakal yolŋu'yulŋuwala mala
Darrakal yolŋu'yulŋuwala mala

Way năma nhuma ga nŭnha manikay rirrakay n̄ayi ga dhawaṯṯhun
Bala marrtjin balayidhi burr'yuna
Darrakal yolŋu'yulŋuwala mala (Nhăju mala)
Darrakal yolŋu'yulŋuwala mala (Nhăju mala)

Bili narra dhuwal nhakun nhepi
Bala babu'yuna marrtji nali please
The night's young
I'm old school on the dance floor
Express yourself what I stand for
Imma light it up like a candle
Call me Mr too hot to handle
Whooo I think I need a chill

Way näma nhuma ga nunga manikay rirrakay nali ga dhawatthun
Bala marrtjin balayidhi burr'yuna
