Baby, my heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul

Now can't you see it's burning out of control

My heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control

Oooooooh, satisfy the need in me

Oh baby, my heart is full of love and desire for you
Now come on down and do what you got to do
You started this fire down in my soul
Now can't you see it's burning out of control

Don't you understand, baby baby please
Cause only your good loving can set me free
Heey beby, come and satisfy the need in me
Oh baby, come and satisfy the need in me
Oh baby, come and satisfy the need in me

Heeey baby, come and satisfy the need in me
Oh baby, come and satisfy the need in me
Hey baby
Cause only your good loving can set me free
Heey baby, come and satisfy the need in me

Oh baby, my heart is full of love and desire for you
Now come on down and do what you got to do

Now can't you see it's burning out of control
Oooooooh, satisfy the need in me
