

Good Feeling

Bakermat

Lights out
10th round
Can't get up, you knocked me down
Gimme more it's never enough

Looked up
Love struck
Tryna get my courage up
This is only starting for us

I said oh oh oh oh
How you gonna make me lose control like that
I said oh oh oh oh
Go on and just like that

You're giving me a good feeling
Something about you pulls me in
I get a good feeling
You're getting underneath my skin

You're giving me a good feeling
Take me to a place I've never been
I get a good feeling
Good, good feeling

Like the taste of your lips from a strawberry kiss
Do it over and over again
I get a good feeling
Good, good feeling

New highs
Bright lights
Take me with you in the night
I'm just gonna let you decide

Cause where we end up
Doesn't matter
As long as I'm there with you

I said oh oh oh oh
How you gonna make me lose control like that
I said oh oh oh oh
Go on and just like that

You're giving me a good feeling
Take me to a place I've never been
I get a good feeling
Good, good feeling
Good, good feeling

Like the taste of your lips from a strawberry kiss
Do it over and over again
I get a good feeling
Good, good feeling

Yes I do
I get a good feeling

I get a good
I get a good
I get a good feeling
I get a good
I get a good
I get a good feeling

You're giving me a good feeling
Take me to a place I've never been
I get a good feeling
Don't wanna stop, what's happening

Like the taste of your lips from a strawberry kiss
Do it over and over again
I get a good feeling
Yes you do

I get a good good feeling from you
I get a good feeling
