

# Good For Me

Bakermat

See that look in your eyes  
We're gonna make us a mess  
If we start blurrin the lines  
Then we gotta lay in the bed

Lord knows if it ain't right  
I'd rather be wrong instead  
Cause you keep making me high  
Like a rocky mountain cigarette

So, so bad  
But you're so good for me  
Love like that  
No it don't come easily  
You're fire in my soul  
Pulling me like smoke  
So, so bad  
But so damn good  
So damn good for me

So, so bad  
But you're so good for me  
Love like that  
No it don't come easily  
You're fire in my soul  
Pulling me like smoke  
So, so bad  
But so damn good  
So damn good for me

You won't leave me surprised  
Please don't gimme no rest  
Just keep telling me lies  
Lies that I choose to forget

Lord knows if it ain't right  
I'd rather be wrong instead  
But by the end of the night  
You'll be my favorite regret

So, so bad  
But you're so good for me  
Love like that  
No it don't come easily  
You're fire in my soul  
Pulling me like smoke  
So, so bad  
But so damn good  
So damn good for me

So, so bad  
But you're so good for me  
Love like that  
No it don't come easily  
You're fire in my soul  
Pulling me like smoke  
So, so bad

But so damn good  
So damn good for me

We are gathered here today  
The condolences we gave  
Every consequence that's paid  
As the room goes up in flames  
As the flames begin to rise  
And we say our last goodbyes  
Let us never wonder why  
In the fall we learn to fly

So, so bad  
But you're so good for me  
Love like that  
No it don't come easily  
You're fire in my soul  
Pulling me like smoke  
So, so bad  
But so damn good  
So damn good for me
