Learn to Lose

Bakermat

It's game time
But I've been wasting seconds on the sideline
'Cause I've been scared of failing for my whole life
But I'm not scared of failing no more, no
No more, no, no, no

'Cause I've seen giants falls to their knees
And I've seen losers rise to their feet
Well, who cares if it all goes wrong
'Cause when I die, at least I'll smile to say I tried

So it's not how you get knocked down
It's how you get back up
Don't play safe, it's how you break
That makes you strong enough

Set fire to your soul
Go hard or go home
If you wanna be a winner
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose

It's game time
So let's do something special, make the headlines
I'm goin' for the gold and I won't think twice
'Cause I'm not scared of failing no more, no
No more, no, no, no

'Cause I've seen giants falls to their knees
And I've seen losers rise to their feet
Well, who cares if it all goes wrong
'Cause when I die, at least I'll smile to say I tried

So it's not how you get knocked down
It's how you get back up
Don't play safe, it's how you break
That makes you strong enough

Set fire to your soul
Go hard or go home
If you wanna be a winner
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose

I've been standing still too long
Now those wasted days are gone
Who cares if it all goes wrong
'Cause when I die, at least I'll smile to say I tried

So it's not how you get knocked down
It's how you get back up
Don't play safe, it's how you break
That makes you strong enough

Set fire to your soul
Go hard or go home
If you wanna be a winner
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose
You gotta learn to lose
