

Low Again

Bakermat

I had some good things planned for 2018. I wasn't supposed to be drinking anymore, I wasn't supposed to be smoking anymore. And here I am, having a cigarette in my hand and a beer in the other, you know. That's disappointment, right there.

Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (ain't shit I owe)
Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (what you're tripping on?)

Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (ain't shit I owe)
Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (what you're tripping on?)

Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go
Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go
Let it go, let it go

Let it go, let it go
Let it go, let it go
Let it go, let it go
Let it go, let it go
Let it go, let it go...

So yeah, that was my little voice memo. I hope there's some stuff here that we can use. That actually would be positive, I guess.

Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (what you're tripping on?)

Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go (ain't shit I owe)
Oh I'm feeling low again
Ain't shit I owe to them
They don't wanna let it go
