

Phenomenal

Bakermat

We're gonna have to dream the eye together and we're gonna get blown up together

Disco, paper still no money
It's really quite bad but it's also funny
Never know why but you seem to want me
Don't look
Oh-oh, phenomenal!

Some-sometimes I feel a little bit proud of us
No idea but I know that knowing that
It's all down but at least we've had the ups

Don't wanna believe in love but I do
I don't wanna change but I'm changing too
We can all just wait
No, it's not too late, too late
For me and you
Don't wanna believe in love but I do
I don't wanna change but I'm changing too
We can all just wait
No, it's not too late, too late
For me and you

One misfortune to another
I don't know why I even bother
I get back up just to fall way further
Don't look
Oh-oh, phenomenal!

Some-sometimes I feel a little bit proud of us
No idea but I know that knowing that
It's all down but at least we've had the ups

Don't wanna believe in love but I do
I don't wanna change but I'm changing too
We can all just wait
No it's not too late, too late
For me and you
Don't wanna believe in love but I do
I don't wanna change but I'm changing too
We can all just wait
No it's not too late, too late
For me and you

Oh-oh oh-oh, phenomenal!
Oh-oh oh-oh, phenomenal!
Oh-oh oh-oh, phenomenal!
Too late for me and you
Oh-oh oh-oh, phenomenal!
Oh-oh oh-oh, phenomenal!
Oh-oh oh-oh, phenomenal!
Oh-oh oh-oh, phenomenal!
Don't wait
Oh-oh, phenomenal!
