Bakermat

You put food on my table
You've been the lawyer in the courtroom
You put food on my table
I know that you are able

You put food on my table
You've been the lawyer in the courtroom
You put food on my table
I know that you are able

I know that you are able

You put food on my table
You've been the lawyer in the courtroom
You put food on my table
I know that you are able

You put food on my table
You've been the lawyer

You put food on my table
I know that you're able
