Bakermat

Teach me master
Master teach me
Boy I would love to live
Live a liar
Teach me how to win
I tell you the reason why
Teach me how to win
I tell you the reason why
With my mind at the [?]
Teach me what to say

C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me

Teach me master
Master teach me
Boy I would love to live
Live a liar
Teach me how to win
I tell you the reason why
Teach me how to win
I tell you the reason why
With my mind at the [?]
Teach me what to say
I had my love, my car
And I would be ready to teach me master, teach me

C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
Teach me master, teach me
C'mon master
