

## Without Ya

Bakermat

What I'm gonna do without ya?  
What I'm gonna do without ya?  
What I'm gonna do without ya?  
Old memories

Lord knows it's only me  
Oh he knows it's only me  
What I'm gonna do everytime I find the nerve  
Old memories

Lord knows it's only me  
Oh he knows it's only me  
What I'm gonna do everytime I find the nerve  
Old memories

What I'm gonna do without ya?  
What I'm gonna do without ya?  
What I'm gonna do without ya?

Lord knows it's only me  
Oh he knows it's only me  
What I'm gonna do everytime I find the nerve
