

Your Shine

Bakermat

Don't let nobody ever steal your shine
'Cause you'll get yours and I'll get mine
If you've been holding back your love I think it's time
Don't let nobody ever steal your shine

Don't let nobody ever steal your shine
'Cause you'll get yours and I'll get mine
If you've been holding back your love I think it's time
Don't let nobody ever steal your shine

If you've been holding back your love

Don't let nobody ever steal your shine
'Cause you'll get yours and I'll get mine
If you've been holding back your love I think it's time
Don't let nobody ever steal your shine

Don't hold back
Uhhh babe
Don't hold back
If you've been holding back your love
Don't hold back
Don't let nobody
Don't hold back
Your shine

Don't let nobody ever steal your shine
'Cause you'll get yours and I'll get mine
If you've been holding back your love I think it's time
Don't let nobody ever steal your shine

Don't let nobody
Don't let nobody ever steal your shine
Don't let nobody
'Cause you'll get yours and I'll get mine
I'll get mine
If you've been holding back your love I think it's time
I think it's time
Don't let nobody ever steal your shine
