

## Restless

## Balance and Composure

(All that you know)  
(I see it through your eyes)

Nobody knows where I've been  
(All that you know)  
Nobody's seen me since then  
(I see it through your eyes)  
Nobody knows when I sin  
(All that you know)  
Restless  
(I see it through your eyes)

Nobody knows when I sin  
(All that you know)  
Nobody's lived in my skin  
(I see it through your eyes)  
It's never been concerning to them  
(All that you know)  
Reckless  
(I see it through your eyes)

Nobody knows where I've been  
(All that you know)  
Nobody's seen me since then  
(I see it through your eyes)  
Nobody knows when I sin  
(All that you know)  
Restless  
(I see it through your eyes)
