

Icy damn I'm walking wetter
Icy, tell me what's the flavor
Muah!

Icy, tell me what get wetter
Diamonds on my neck, hold the block in rainy weather
I fucked a bitch and act like I ain't ever met her
I cut her off, but she act like that shit upset her
Icy, tell me what get wetter
When they see me popping they got Bali as their header
Steady rapping, you know I am getting better
Now all your friends is telling you, "You should've kept her!"

Icy, tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor

Bitch I am the leader, on top, I feel imperial
Bitches keeping talking nonstop, but I'm not hearing them
If they saying Bali not the best, they sound delirious
Lurking on my page, asking questions, know your curious
Spending all my money on the clothes, love materials
I don't need no saving little bitch I am not Mariel
I'm leaving bitches, just hysteria
When your in my bitty, check in, bitch you know I'm clearing yo
u

Icy, tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor
Icy, tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor
Yeah, icy tell me what's the flavor
