

Need It

Bali Baby

Muah!

Yeah I told you bout my last love
I don't miss him (I don't miss him)
Yeah I told you bout these fast drugs
Yeah I wish you never did em' (yeah I wish you never did em')
Yeah I'm spittin' through my gold slugs
Yeah you know my fingers itchin' (the money come)
Yeah I told him I'm his last one
Yeah I know he tired of all these bitches (tired of all these hoes)
Fuck them hoes they some snitches (liars)
I'm just tryna paint us a perfect picture
Out them all I am the winner (I'm the winner)
Lord forgive me please I am a sinner (please forgive
Rapping not like I am a beginner (I just started)
He put the ice on my finger like it was winter (ice)
Me without him is like rubbing wood and not getting a splinter (not possible
)

You needed me when you was down (I'm here for you)
You needed me and I said I needed a crown (I need a crown)
You needed me and I really like how that sound (I love you baby)
And I need you like a chopper with the rounds (with the rounds)
You needed me, you needed me
I lay him down (lay him down)
You needed me, you needed me
I let it sound (grat, grat)
You needed me, you needed me
I lay him down (I lay him down)
You needed me, you needed me
I let it sound (I let it sound)

This is so brazy (brazy)
We getting married maybe (giggles)
You asked the lord to save me (to save me)
And I told him I'm gonna have his babies (his baby mama)
These other hoes don't phase me (they don't phase me)
Cause I know I am his favorite lady (his favorite lady)
I make these other niggas pay me
I send the pussy up to grade D (gravy)
You ain't hit me you just graze me
Ball so strong you think we dating (that's my baby)
Always caking (caking)
All this ice on I think I'm shaking (yeah I think I'm shaking)
He taking percs like he aching
Keep it to real never faking (never faking)
Me and you perfect equation
Pussy persuasion (muah)

You needed me when you was down (I'm here for you)
You needed me and I said I needed a crown (I need a crown)
You needed me and I really like how that sound (I love you baby)
And I need you like a chopper with the rounds (with the rounds)
You needed me, you needed me
I lay him down (lay him down)
You needed me, you needed me
I let it sound (grat, grat)

You needed me, you needed me
I lay him down (I lay him down)
You needed me, you needed me
I let it sound (I let it sound)
