Ball Greezy

(Flowe Beatz did this)

I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you whenever you want)
I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you)
Whenever you want

Bae, hop off in my new whip, kick it on some cool shit
Bring the chick you're cool with and lick me on some crew shit
Hop up on that dick and go to ridin' like a cruise ship
This ain't what you're used to, I'ma put you on some new shit
Hit you with the pool stick and put you to bed
And wake you up in the middle of the night and fuck you again
And get some head in the car when I drop off your friend
And don't you back me out that pussy, bae, I'm breakin' you in

So do you
I'll keep it on the low
Do you, do you

I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you whenever you want)
I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you)
Whenever you want

Yeah, back it up, yeah, back it up
Hit it from back to front
Mash it up, dick done passed the gut
Roll up, pass the blunt
Tick, boom, jump the broom
Sun up to moon
Lockin' the room
Beat up the womb
Ain't no cummin' soon
You've never been fucked by a goon
Dancin' in it
Took my chances with it
Smoked 'bout a grand to get it
Had to hit it

Lips so big on the coochie, yes, I had to kiss it, ayy (Mwah)
You already know what we be on
Don't take 'em off, baby, keep 'em on
Dick her down with the VVs on
69, to the each, his own
All you smell is Creed cologne
Don't touch my rubber, leave it on
I love it when that weed be long
Just suck this dick 'til the semen gone
No need for a rag, just clean it off
With an ass like that, just squeeze it on
Enough to shoot my semen on, semen on

I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you whenever you want)
I would fuck you 24/7, 7
Gotta make that sex cry
That S-E-X, wet, wet
Fuck you 24/7, 7
Gotta make that sex cry
(And I will always be there to dick you)
Whenever you want
