

Do Sumin'

Ball Greezy

Bae day, ain't no sense in playing crazy now, I waited a long time for this, we finally here, yeah

Ain't no nigga like me, in the streets keep it G
Beat that pussy down and keep it lowkey
I ain't never been the type that'll kiss and tell
Take you on the beach when I rent and 'tel
Hit it from the back like a ponytail
Hit it like a nigga fresh outta jail
Dope boys got the best dick
Known for steppin' out in the fresh shit
Neck full of jewels ooh cool, eat it like breakfast
Baby oil on my ass cheeks, wet it up and get nasty
Do whatever that you ask me, fulfillin' ya fantasies like

I, wanna do somethin' freaky to you baby
Enough with that fakin', wanna see you naked on me
It's the pretty brown round, that's driving me wild
Enough with that fakin', I wanna see you naked on me (wanna see it on me baby)

Beat that pussy like uh, beat that pussy like uh, beat that pussy like uh, beat that pussy like uh
Beat that pussy like uh, beat that pussy like uh, beat that pussy up, beat that pussy up

Pittsburgh Steel that pussy from ya, Ima kill that pussy for ya
Let me drill that pussy for ya, Ima give ya what you neva had
Good dick with a rosé bubble bath, let last but not least
I'm fast on my feet, I dance to my beat
Now you can, and she can, now we can get freakin' cause now that the weekend's complete
Let me slide down in yo cat, I just wanna get manish
You could be betta, [?], yeah girl that's spanish
Giving you sexual education, with a little sensual penetration
Slidin' in so easy, tell her what I'm talkin' bout breezy

I, wanna do somethin' freaky to you baby
Enough with that fakin', wanna see you naked on me
It's the pretty brown round, that's driving me wild
Enough with that fakin', I wanna see you naked on me (wanna see it on me baby)

Beat that pussy like uh, beat that pussy like uh, beat that pussy like uh, beat that pussy like uh
Beat that pussy like uh, beat that pussy like uh, beat that pussy up, beat that pussy up
