I miss your kissy, I miss your kissy face
I hope you miss me like I miss you, bae
I want you all to myself, I don't care 'bout the others (Care 'bout no other

I hope you miss me like I miss you, bae

Take you all around the world, MIA to Lagos
Let you see around the world, Barbados, Turks and Caicos

'Cause, baby, I love you, you know that I do
Anything for my sunshine, that's why I'm lovin' on you
Love you forever and ever and ever
The back I jumped past, so tell me which one of them niggas did better

I love the way you feel
I love the way you smile
I love the way you smell
Love the way you dress

Girl, your lovin' is the best
Love how you grind that thing when you put it on me
And I promise I'ma keep it one hundred, how you love it

I want you all to myself, I don't care 'bout the others
The way I gon' come down on you, it gon' feel like no other
