

Pipe Down

Ball Greezy

Alright
You hear me?
Yeah
Ol' fine ass

You been searchin' for a real nigga, right?
Well cut ya' GPS off, I'mma get you right
I'mma get you high, baby, put you on a flight
And tell 'em they can land wherever they like
Cause I ain't ever felt love like this
And I can do this everyday, I love this shit
With you in my presence, open up presents
Steppin' in the freshest, enjoy ya blessings
Put me on the 'gram, make 'em hot
Show 'em how you and bae rock
I got a real bitch, not a thot
Fuck them haters, bae we on top
Girl you got this dick on lock
Drop, drop
Bet yo' ex gone want you back now
How I got you shinin' with the top down
I'm on that G shit, lil' nigga pipe down
Yo' loss not mine, with a real nigga now

She with a real nigga now
Lil' nigga pipe down
She with a real nigga now
Lil' nigga pipe down

Gimme kiss bae, that fuck nigga lookin'
What took you so long to get from 'round that pussy?
That nigga ain't street
That nigga ain't G
That nigga there flaw, he don't do it like me
See, you deserve better
A boss with some cheddar
Who lowkey with it, I ain't ever been a flexer (at all)
Keep you in the house, while he out with the fellas
See I ain't ever been the type that'll sweat ya'
If you wanna hang, you can hang
I ain't trippin bae, gone do yo thang
Just don't stay out late
Aye, baby in a whole 'nother zone
In the mall, we gone get you a whole 'nother phone
Leave that hoe nigga 'lone
He ain't know what he had
Now you my bitch and a fuck nigga mad
I'm on that street shit, lil' nigga pipe down
Yo' loss not mine, with a real nigga now

She with a real nigga now

She with a real nigga now
