Ball Greezy

RGggRR Rggreeeeezayy
Yung mash I see ya
Big bruh whatup

I gotta get that there
Baby what's yo name
All this patron got me off the chain
Meet me at the bar
Lemme buy u a drank
I'm full right now
Baby money ain't a thang
Back to the boogy
Gotta balls like outs
Gotta hit the restroom
I done ran outta Milds
The only one I got is the one in my mouth
Ain't trickin if I got it
That's what I'm bout

Greezy tryna find him some shone
After the club
Who just willin to follow me home
And suck me off with no problem
Till all of its gone
And you know what I'm talkin bout
Lil mama you grown
Greezayyy

Hater, this ain't concernin you
Waiter, I need the bottle boo
Flavor, grey goose n orange juice
Player, that's what the soft will do

Take your time with da dick
Cause lil mama is thick
And she got me spillin liquid
All that ass mama sittin here

Vibe with me now
Wooooooooo, Wooooooooo
Woooo ooooooooo
Greezy tryn find me some shone

Vibe with me now
Wooooooooo, Wooooooooo
Woooo ooooooooo
Greezy tryn find me some shone

Outfit fresh, new shoes... YES~
Bread in my pocket? yep, I'm set
All this krip, I got to smoke one
Outta all these broads, I got to like one
My dawgs poppin off, I got to get drunk
The block dem posed to have a lil fun
I'm jukin thru the crowd
Cup fulla liq, on the black n mild
Pocket full of Bs with da rubbers right now

Club on swole
And the music up loud
She stickin'
I'm rollin'
I'm drankin'
And blowin'
Neck shinin'
Wrist glowin'
Ain't slippin'
I'm focused
This my jam and I can't keep still
Gotta find me a booty on the flo I can feel
I can rush anything right now I'm fly
And get her to jerk one cheek at a time
All I need is three mo and I'm right
And that will hold me down for the rest of the night...

Cause
Greezy tryna find him some shone
After the club
Who just willin to follow me home
And suck me off with no problem
Till all of its gone
And you know what I'm talkin bout
Lil mama you grown
Greezayyy

Hater, this ain't concernin you
Waiter, I need the bottle boo
Flavor, grey goose n orange juice
Player, that's what the soft will do
