

# As Far As I Can Tell

Ball Park Music

I wake up late  
With a new direction  
Falling over everything in sight

Would you laugh me out the room  
If I said it's all too soon  
When I can't cope with any more  
You say  
There's no need to be scared  
What you see is what you get  
And love is true  
As far as I can tell

Would you laugh me out the room  
If I told you what I knew  
From the start to the end  
It's hell  
Pat you on your lucky head  
What you see is what you get  
And love is true  
As far as I can tell you

In the bottom of your heart  
There's an ache  
That makes it hard to speak  
Hard to whisper  
Hard to make a sound

In the bottom of your heart  
There's an ache  
That makes it hard to speak  
Hard to whisper  
Hard to make a sound  
Hard to speak  
Hard to whisper  
Hard to make a sound

I hear your shaking voice  
I see you from a distance  
I feel as ever, everything is right

Would you laugh me out the room  
If I said it's all too soon  
When I can't cope with any more  
You say  
There's no need to be scared  
What you see is what you get  
And love is true  
As far as I can tell

Love is true  
As far as I can tell you
