

# Pariah

Ball Park Music

You are the stranger by my side  
We suffocate  
We serve rations  
We fall asleep in the forest  
To the silent breathing of millions  
Do you give me permission  
To chase after the rabbit  
I will kill it and bring it back  
I will relay the mission

I'm a Pariah [x4]

I'm a Pariah [x4]
