

## Rich People Are Stupid

Ball Park Music

My friend is an expert  
He's always on time  
Researching volcanoes  
And blowing my mind

On my way to work on Sunday morning  
I feel mighty fine  
Rich people are stupid  
Rich people are stupid  
And I feel mighty fine

Bourgeois morning  
Breakfast at 10  
You don't like your coffee  
Guess I'll make it again

On my way to work on Sunday morning  
I feel mighty fine  
Rich people are stupid  
Rich people are stupid  
And I feel mighty fine

On my way to work on Sunday morning  
I feel mighty fine  
Rich people are stupid  
Rich people are stupid  
And I feel mighty fine
