

# Beautiful Day

Ballyhoo!

It's a beautiful day  
Feeling the sunshine on my face  
It's a beautiful day  
And I got some time to waste  
It's a beautiful day  
Hope it's just like this tomorrow  
It's a beautiful day  
Oh, yeah

I'm gonna wake up  
And get myself a cup of coffee  
Open the windows and the doors  
Baby let's go outside  
I can feel the air is warm  
Let's go for a long ride  
Speakers are blarin'

It's a beautiful day  
Feeling the sunshine on my face  
It's a beautiful day  
And I got some time to waste  
On this beautiful day  
Hope it's just like this tomorrow  
A beautiful day  
Oh, yeah

Oh so here we are  
Walking through the barn  
Let's lay down this blanket  
and listen to the birds sing  
It's so nice to be outside  
We can watch the sun go down  
Burning that daylight  
While we're making out

It's a beautiful day  
Feeling the sunshine on my face  
It's a beautiful day  
And I got some time to waste  
On this beautiful day  
Hope it's just like this tomorrow  
A beautiful day  
Oh, yeah

I don't wanna stay inside  
Cause anytime that I could die  
And I just wanna live  
I wanna take you by the hand  
Love you like I know I can  
And show you who I am

It's a beautiful day  
Feeling the sunshine on my face  
It's a beautiful day  
And I got some time to waste  
On this beautiful day  
Hope it's just like this tomorrow

A beautiful day  
Oh, yeah

It's a beautiful day  
Feeling the sunshine on my face  
It's a beautiful day  
And I got some time to waste  
On this beautiful day  
Hope it's just like this tomorrow  
A beautiful day  
Oh, yeah
