

## Radio

**Ballyhoo!**

i thought it was a dream  
you walkin next to me  
i never felt this pain  
i heard my song got played  
on the radio today  
im happiest this way

oh yeah, is it in my head?  
oh yeah, dont kill your radio yet

i thought i heard you say  
you feel so far away  
your lyrics are so lame  
so who'd you kill for this  
you sing with a closed fist  
you only get one wish

oh yeah, is it in my head?  
oh yeah, dont kill your radio yet
