

Big Butt

Balming Tiger

My tear, just post it
She calls me big buff
White lies, never enough
We be blowin' on thick smoke

How would have I noticed?
It's hard to get up
Too much stuff in my cup
Didn't know u had big butt

(Don't talk to me like I'm crazy)
Wanna have
(I wanted you until I zoomed into your face)
Wanna have

Jebeobinde na
Am I talking to you, right
Neol eodiseo bwatdeora
Tellebiyeon or in the vision
Eomeo nae jeongsin jom bwa
Nuni ganeun gil jom bwa
Budi ieogajwo teuwolking
Neo honja itda chigo ait?

Algo sipeo neoui aga haennim daleun dunbu
Naege malhaejwo sunsu gyeoljeongcheui bimireul

My tear, just post it
She calls me big buff
White lies, never enough
We be blowin' on thick smoke

Do you love me much, baby
Oh, you're drivin' me crazy
