Tween her thighs, holy water drippin' like a global warming

Malhae mwohae, I'm on tour, I think it's the perfect timing
Alcantara bucket seats, don't got a mileage
I say the percocet, that that that'll never be stylish
Do the Galleria swipes Junya Watanabe

Hard to be settled, nothing keeps my attention
This penid got me sick, hated when the vision is one dimension
Brain fog alert, also don't know what is true
