

All my fits, they lookin' obscure
Pace I'm livin', it's very absurd
Broken bones, I'm hittin' the curb
I got gas in my dashboard, I'm smokin' it up
Uncomfortable rush
I'm up and beyond
I got love in the chamber
Got stuck in a bond
Paints, bums, fake!
How the yall makin' up ur own hell n ?
The system, I hate the masquerade
One violation into a major fade
Got a problem, u get maced
Post a picture, here's a raid!
Paints, bums, fake!
Maison Margiela
Plain white tee
Yes logo boys
U finna pay a fee
When I pull up
Can't get nuff of dese
Asian skin glowin'
Always

Can't count on days
When I state the plain
Can't count on days
Try to fix my pain
Came a long way
I would walk again
If I could do it all over
Always be the same
