Balming Tiger

Eomma been trouble modu nal chyeodabone
Got no love, no, no love
Eomma been trouble modu nal chyeodabone
Got no love, no, no love

I say what you need me
Alone in the club I'm chillin'
I just wanna go check in or
I take it on, I get that, oh

I think I wanna kick it
I sai, what you diggin'
Alone on the block, just be me
Naega neo ttaeme michigesseo neon gaeinjuui baby, oh

You want that dollar from me
I say, nah, I ain't got no dollars
(Just fun) just fun, baby
(Just fun)

You want that drama from me
I say, nah, I ain't got no drama
(Just fun)
(Just fun)

Double trouble
This music makin' me dance
Nan molleo nan molleo yeah, yeah
Double trouble
This music makin' me dance
Nan molleo nan molleo

Let's go, fat booty swing on the floor
I got shooters, I don't sling with my bros
Hit 'em with the funk, two doors movin' slow
Got it stuck in the mud, uh, I can cop some more

Pull up in a street sweeper
Shawty, she a sweet dreamer
Bold tipper, even if I never seen her
Add a liquor, Atlanta with they trippers
Got the money, all you gotta say is

You want that dollar from me
I say, nah, I ain't got no dollars
(Just fun) just fun, baby
(Just fun)

You want that drama from me
I say, nah, I ain't got no drama
(Just fun)
(Just fun)

Double trouble
This music makin' me dance
Nan molleo (just fun) nan molleo (just fun)
Double trouble

This music makin' me dance
Nan molleo (just fun) nan molleo (just fun)

Double trouble
This music makin' me dance
Nan molleo double trouble
This music makin' me dance

Nan molleo double trouble
This music makin' me dance
Nan molleo double trouble
This music makin' me dance
