

## Sudden Attack

Balming Tiger

Been with the M3 beamer  
Seen with nother killer  
Try to fix my demeanor  
Please don't mamacita  
She from Argentina  
Bueno sip a tequila  
Quaalude eat 'em like cereal  
Go catch a breather

Never a fair fight mob on this on sight  
Inhale thru the pipe, body on cloud nine  
Paris in last night, croissant take a bite  
Outta my mind, hands on nother line

Outta my mind, hands on nother line  
Outta this time, what do you mean space?  
Bang! It don't mean! Still feelin' distressed  
Bang! It don't mean! Still feelin' oppressed

This war, I want peace

They cannot hurt me  
They cannot me up, never  
They cannot hurt me  
I hate this jeonjaengteo  
We must turn on the radio  
Don't give up and carry on
