Hey, hey, hey, hey  
Once upon a time, he had a dream  
Scrap of paper, wanted to be seen  
Don't doubt your vision (Hey, hey)  
Baby turn off your television (Vision)  
Don't listen to the bullshit (Resistance)  
Stop thinkin', start do shit (Resistance)  
You could never be perfect (Resistance)  
It's okay don't be perfect

I don't want your negativity  
Can we hug it out?  
It's too much anxiety  
Can we hug it out?  
I hate the system  
I wanna stay out  
Inhale, exhale  
Inhale, exhale

Hate the system, I wanna get out  
Make a wish, I'd love to stay out
