

Running for your love

Baltimora

Running for your love
Anytime you call me
Running for your love
I'm on the line again
Running for your love
Anytime you call me
Running for your love
I'm on the line again

Another day, another way
You keep me under lock 'n' key
You say you care but in the air
There's a peculiar love affair

You call me names, I play your games
You lighten up my fantasy
I turn around, I'm lost and found
I really like your company

Call me night and day, anytime (ahh)
I'll be on my way, right on time (ahh)

I'm running for your love
A different kinda feeling, everyday
Don't want another love
I need a special healing, right away
I'm running for your love
A different kinda feeling, everyday
Don't want another love
You got a special healing

Running for your love
Anytime you call me
Running for your love
I'm on the line again
Running for your love
Anytime you call me
Running for your love
I'm on the line again

Another day, another way
You keep me under lock 'n' key
You're on my mind, you're so unkind
Can't be without this ecstasy

You treat me bad, I'm going mad
I need you more, oh
I'm underground, I'm lost and found
I really like your company

Call me night and day, anytime (ahh)
I'll be on my way, right on time (ahh)

Running for your love
Anytime you call me
Running for your love
I'm on the line again

Running for your love
Jumping when you call me
Running for your love
Don't wanna get away

Running for your love
Anytime you call me
Running for your love
I'm on the line again
Running for your love
Jumping when you call me
Running for your love
Don't wanna get away

Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
I'm on the line again
Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
I'm on the line again

I'm running for your love
A different kinda feeling, everyday
Don't want another love
I need a special healing, right away
I'm running for your love
A different kinda feeling, everyday
Don't want another love
You got a special feeling

(Ahh)
(Ahh)
(Ahh)
(Ahh)
(Ahh)
(Ahh)

I'm running for your love
A different kinda feeling, everyday
Don't want another love
I need a special healing, right away
I'm running for your love
A different kinda feeling, everyday
Don't want another love
You got a special feeling
